Day 1 Arrive in
Denpasar

Having made your way to Denpasar, you will be met by a representative of Aurora Expeditions and transferred to our group hotel. Upon arrival at your included hotel, please visit the welcome desk where you can collect your luggage cabin tags and speak with our ground operations team, who may have information to share with you about pre-embarkation or to provide you with information about where to dine, withdraw cash or purchase last minute items from a local pharmacy or supermarket. The remainder of your time is at leisure. All meals today are at your own expense. Accommodation: Hyatt Regency Sanur.

Day 2 Fly to Sorong, embarkation

This morning, please ensure your cabin luggage is fitted with cabin tags clearly labelled with your name and cabin number. Any valuables or personal items should be kept on you throughout the day. Enjoy a morning and lunch at leisure before boarding a charter flight to Sorong, where our vessel the Greg Mortimer awaits. The charter flight is scheduled to depart at 14:00 for Sorong and arrive at 18:20. There will be food included on the flight. Transfer to the port for embarkation. You will have time to settle into your cabin before our important briefings begin. Enjoy the thrill of departure as we 'throw the lines' and set sail for Cenderawasih Bay. Meet your Expedition Team and crew at the Captain's Welcome Dinner.

Day 3 Amsterdam Island

Part of the secluded Su Islands, Amsterdam Island offers a unique opportunity to immerse yourself in local culture. Discover this little-known gem as we explore its pristine environment. Friendly locals will welcome us to the village beach, providing an authentic glimpse into island life. Morning Experience: Expressions of Interest – Snorkel Amsterdam Island. Choose to snorkel above the historic World War II shipwrecks surrounding Amsterdam and Middleburg Islands, where colourful coral growth and tropical marine life create a unique underwater experience. Duration: 2.5 hours. Level of Difficulty: Moderate. Important information: This activity is recommended for guests in good physical condition who are confident swimming in water too deep to stand. Snorkelling time and location are weather dependent and confirmed on the morning of the tour. For safety reasons, snorkelling numbers may be limited at any one time, but we will endeavour to rotate groups so all guests have the opportunity to snorkel. Morning Experience: Expressions of Interest – Guided Nature Walk. For those interested in wildlife and nature, a guided walk through the coastal tropical rainforest offers the chance to observe a variety of birdlife, including Sulphur-crested Cockatoos, Blyth's Hornbills, drongos, monarchs, pigeons and honeyeaters. The area is also home to vibrant butterflies, such as Ornithoptera priamus, and the striking Eupholus beetle. Depending on conditions and timing, the walk may also include a search for Leatherback turtle nesting sites, a visit to the ruins of a historic church, and the Pilgrim site, marked by a cross overlooking the island's edge. Duration: 2.5 hours. Level of Difficulty: Moderate. Important information: This tour involves a moderate amount of walking. Terrain may vary from flat sandy beaches to dense tropical jungle trails and muddy, root-filled forest floors. Lightweight, comfortable clothing, flat, closed-toe walking shoes, and sun protection are recommended.

Day 4 Auri Islands, Cenderawasih Bay

Cenderawasih Bay, or Bird of Paradise Bay, is a marine wonderland teeming with life. As Indonesia's largest marine park, Teluk Cenderawasih National Park safeguards over 14,500 square kilometres of pristine ocean, nurturing a vibrant ecosystem that includes whale sharks, dugongs, dolphins, and a dazzling array of fish and coral species. Lying within Cenderawasih Bay, the Auri Islands are home to some of the most pristine coral reefs in Indonesia and an ideal place to start your water activities in West Papua. Enjoy some beachcombing, swimming, snorkelling and diving in the clear, warm tropical waters. Morning Experience: Expressions of Interest – Snorkel Abaruki Island. Choose to snorkel in the pristine waters of Abaruki Island, exploring vibrant shallow reefs teeming with colourful corals, tropical fish, turtles, and other marine life. Part of one of the world's richest and best-preserved coral reef ecosystems, this remarkable area offers an unforgettable underwater experience. Duration: 2.5 hours. Level of Difficulty: Moderate. Important information: This activity is recommended for guests in good physical condition who are confident swimming in water too deep to stand. Snorkelling time and location are weather dependent and confirmed on the morning of the tour. For safety reasons, snorkelling numbers may be limited at any one time, but we will endeavour to rotate groups so all guests have the opportunity to snorkel. Morning experience: Expressions of Interest – Beach and Coastal Exploration. Guests seeking a more relaxed experience may enjoy time on the island's white-sand beaches, swim in the clear turquoise waters, or explore the shoreline at their own pace while appreciating the island's tranquil natural setting. Guests will also have the option of using inflatable stand up paddleboards to glide along the water. Duration: 2.5 hours. Level of Difficulty: Easy. Important information: Walking is at guest discretion. Terrain is uneven. Guests are recommended to bring towel, hat, sunscreen, and wear swimmers under their clothes. This afternoon, the ship repositions to Roon Island for a visit to Yende Village. Upon arrival, guests will receive a warm traditional welcome from the local community, featuring cultural performances and music. Choose to explore the village at your own pace, or join a guided walk to gain an insight into daily life, local customs, and the rich history of the region. Along the way, there are opportunities to visit significant community landmarks, enjoy coastal views, meet local residents, and browse handcrafted souvenirs, while learning about the village's enduring connection to both its cultural heritage and the surrounding marine environment. Relax beneath the shade of coconut palms and tropical trees while enjoying the village atmosphere. Afternoon experience: Expressions of Interest – Snorkel Roon Island. Discover the pristine waters of Roon Island, where vibrant coral reefs and abundant marine life make for unforgettable snorkelling. There may be the chance to explore the famous WWII Japanese Zero wreck in shallow water, and keep an eye out for turtles, colourful reef fish and other marine treasures along the way. Duration: 1.5 hours. Level of Difficulty: Moderate. Important information: This activity is recommended for guests in good physical condition who are confident swimming in water too deep to stand. Snorkelling time and location are weather dependent and confirmed on the morning of the tour. For safety reasons, snorkelling numbers may be limited at any one time, but we will endeavour to rotate groups so all guests have the opportunity to snorkel. Afternoon experience: Expressions of Interest – Beach and Coastal Exploration. For guests who prefer not to snorkel, enjoy some time at leisure exploring the shoreline, swimming in the clear waters, or gliding along the coast on an inflatable stand-up paddleboard. Duration: 1.5 hours. Level of Difficulty: Easy. Important information: Walking is at guest discretion. Terrain is uneven. Guests are recommended to bring towel, hat, sunscreen, and wear swimmers under their clothes.

Day 5
Kwatsore,
Cenderawasih
Bay Marine
Park

Discover the magic of Cenderawasih Bay, a secluded paradise renowned for its extraordinary marine life. Here, we hope to have an unparalleled opportunity to swim alongside gentle giant whale sharks in their natural habitat. Guests who do not wish to snorkel can still enjoy views of the Whale Sharks from the Zodiac. These gentle giants, the largest fish in the world, congregate in Cenderawasih Bay Marine Park due to the abundant food supply provided by local fishing activities. Snorkelling alongside these peaceful creatures is an experience that will leave you awe-inspired. As you glide through the water, you'll be captivated by their immense size and graceful movements. It's crucial to remember that whale sharks are protected species. Your expedition will adhere to strict guidelines to ensure minimal disturbance to these magnificent animals. By observing these guidelines and maintaining a respectful distance, you can contribute to their conservation while enjoying an unforgettable encounter. While sightings are never guaranteed, the chance to encounter these majestic creatures in such pristine waters is truly unforgettable. The experience of sharing the ocean with such an extraordinary creature is a privilege that will stay with you long after your journey ends. Please select the below excursion if you would like to register your interest to swim alongside whale sharks. Morning Experience: Expressions of Interest - Cenderawasih Bay Whale Shark Encounter – Snorkelling. Guests wishing to register their interest in swimming alongside whale sharks are invited to select this optional experience. Starting from approximately 5am, guests will receive a briefing before disembarking in small groups and transferring to the appointed locations. Set within the pristine waters of Cenderawasih Bay Marine Park, one of Southeast Asia's largest marine protected areas, this unforgettable encounter offers the opportunity to observe these gentle giants in their natural habitat near traditional fishing platforms known as Bagans. Along the way, guests may also spot sea turtles, manta rays, dolphins, reef sharks, and an abundance of tropical marine life. Duration: Total tour time – 3 hours. Time in water – approximately 10-15 minutes. Level of Difficulty: Moderate. Important information: This activity is recommended for guests with good swimming skills and comfortable swimming in very deep water. It is not suitable for guests with back, neck, heart, or respiratory problems, guests prone to seasickness, guests with limited mobility, or wheelchair users. We will have equipment available for all our guests, though you are welcome to bring your own equipment if you wish (full-face masks are prohibited). As the sun can be strong in these areas, we recommend the use of eco-friendly sunscreen and a rash guard to protect as much skin as possible. Please remember to observe wildlife from a respectful distance and avoid touching the animals to protect their natural behaviour during your snorkelling. Wildlife sightings cannot be guaranteed. Morning Experience: Expressions of Interest - Cenderawasih Bay Whale Shark Encounter – Wildlife Observation. Guests wishing to register their interest in the Whale Shark Observations are invited to select this optional excursion. Starting from approximately 5am, guests will receive a briefing before disembarking in small groups and transferring to the appointed locations. Guests who prefer to remain aboard the Zodiac may enjoy excellent viewing and photographic opportunities while learning about whale shark ecology, conservation initiatives, and the unique relationship between these animals and the local fishing communities. Duration: 3 hours. Level of Difficulty: Easy. Important information: This tour will be primarily in a Zodiac that is exposed to the elements. As the sun can be strong in these areas, please wear full sun protection. Wildlife sightings cannot be guaranteed. Beyond the ocean's depths, immerse yourself in the rich tapestry of West Papuan culture with a visit to Kwatsore village. Our expert team will introduce you to the unique customs, traditions, and way of life of this fascinating community. You'll be captivated by their distinct dances, adornments, and music, a stark contrast to the familiar rhythms of Raja Ampat and the Spice Islands. Experience the thrill of a once-in-a-lifetime wildlife encounter and a deep cultural immersion in this remote corner of Indonesia.

Day 7 At Sea

Enjoy the sea crossing to Raja Ampat. Enjoy informative talks from our team of experts, get to know your fellow expeditioners, stay active in the gym or treat yourself to a massage in the wellness centre.

Day 8 Raja
Ampat - the
epicentre of the
Coral Triangle

Located in the 'Coral Triangle,' Raja Ampat archipelago has been described as a marine 'species factory,' and a Mission Blue Hope Spot. Believed to contain the most biodiverse marine habitat on the planet, the waters surrounding Raja Ampat are home to 600 species of hard coral and 1,500 types of fish – more than anywhere else in the world – which makes for exceptional diving and snorkelling experience. We plan to spend two days exploring the coral reefs and shoals, limestone formations and rainforests of this hidden gem. North of Waigeo, Ayau Atoll is a stunning mosaic of coral islands, sandbars, and turquoise lagoons, where thriving reefs meet the deep blue ocean and manta rays are often seen gliding below. At its heart lies Kanobe Island, a secluded paradise of white-sand beaches, crystal-clear waters, and peaceful lagoons, offering an authentic Raja Ampat experience far from the crowds. Choose to snorkel among vibrant coral reefs teeming with tropical marine life, or relax on the island's white-sand beaches, swim in crystal-clear waters, and explore the shoreline at their own pace while enjoying the island's tranquil setting. Days 9 Raja
Ampat - the
epicentre of the
Coral Triangle

Waigeo, the largest island in the Raja Ampat archipelago, is a birder's dream. Its rugged coastline, framed by towering cliffs, gives way to a vast, largely unexplored interior. This dense jungle is home to an incredible array of wildlife, including the iconic Wilson's Bird-of-Paradise and the Red Bird-of-Paradise. Opossums, snakes, tortoises, and monitor lizards also thrive in this pristine environment. Morning Experience: Early Morning Birding Expedition – Waigeo Island. Depart the ship at 4am for a special birding expedition into the forests of Waigeo, renowned for their remarkable diversity of birdlife. Head torches recommended for early start. Following a Zodiac transfer, guests travel by air-conditioned vehicle to the forest access point before a guided walk leads to carefully selected viewing sites (approximately 40 minutes each way). Due to limited viewing capacity, participation is by pre-registration, with guests divided into small groups targeting either the magnificent Wilson's Bird-of-Paradise or Red Bird-of-Paradise. As the forest awakens, there is an opportunity to witness spectacular courtship displays and spot other species including Western Crowned Pigeons, Raja Ampat Pitohuis, kingfishers, parrots, hornbills and the elusive Papuan Frogmouth. Local guides will share their knowledge throughout the experience, and light refreshments featuring local snacks will be served in the forest. Duration: 5 hours. Level of Difficulty: Moderate. Important information: This guided forest walk (approximately 1-1.5 hours of walking) involves uneven and undulating terrain, with some sections that may be slippery when wet. A moderate level of fitness is required, and closed walking shoes are essential. Head torches are also recommended for the early start. Wildlife sightings cannot be guaranteed. After returning to the ship mid-morning, enjoy time to relax as we reposition to Mioskun Island in the heart of Raja Ampat's renowned Dampier Strait. Surrounded by crystal-clear waters, Mioskun is celebrated for its pristine coral reefs, exceptional marine biodiversity, and some of the region's most rewarding snorkelling. Upon arrival, guests will go ashore by Zodiac to explore the island's spectacular fringing reef, where vibrant coral gardens and abundant marine life thrive just offshore. For those seeking a slower pace, the island's white-sand beach provides a tranquil setting to relax and enjoy the beauty of this idyllic tropical paradise. Afternoon Experience: Expressions of Interest – Snorkel Mioskun Island. Choose to snorkel over vibrant coral gardens and along dramatic reef walls, where colourful reef fish, giant clams, soft corals, and sponges thrive in the crystal-clear waters. This pristine marine environment offers an exceptional opportunity to experience the extraordinary biodiversity for which Raja Ampat is renowned. Duration: 3 hours. Level of Difficulty: Moderate. Important information: This activity is recommended for guests in good physical condition who are confident swimming in water too deep to stand. Snorkelling time and location are weather dependent and confirmed on the morning of the tour. For safety reasons, snorkelling numbers may be limited at any one time, but we will endeavour to rotate groups so all guests have the opportunity to snorkel. Afternoon Experience: Expressions of Interest – Beach and Coastal Exploration. Guests seeking a more relaxed experience may choose to swim in the island's calm, crystal-clear waters, unwind on the white-sand beach, or enjoy a leisurely walk along the shoreline. The island also offers opportunities to observe coastal flora and discover shells and other natural treasures washed ashore. Duration: 3 hours. Level of Difficulty: Easy. Important information: Walking is at guest discretion. Terrain is uneven. Guests are recommended to bring towel, hat, sunscreen, and wear swimmers under their clothes.
