Day 1 Arrive Las Palmas, Spain	Welcome to Las Palmas, the sun-drenched heart of Gran Canaria, where colonial charm meets golden shores and Atlantic breezes. On arrival at Gran Canaria Airport, make your way to the arrivals hall to meet our representative, followed by a transfer to our group hotel. At the hotel, visit our hospitality desk in the lobby to meet our team who will provide you with useful information regarding pre-embarkation procedures and about your time in Las Palmas. You will also receive cabin tags for your luggage. Please clearly label the tags with your name and your cabin number on the ship. Join us this evening for a Welcome event to celebrate the start of your journey*. Accommodation: Santa Catalina – A Royal Hideaway Hotel (or similar). Meals: *Welcome social (includes drinks and snacks). *Note: to not miss out on the welcome event, please ensure your flight to arrives in Las Palmas no later than 2:00pm.

Day 2 Embark Las Palmas (Port: Las Palmas – La Luz Port)	Known as the ‘miniature continent’, Gran Canaria is celebrated for its striking contrasts. The island offers a variety of landscapes, from beaches framed by dunes to peaks covered in Canary Island pine forests, whose greenery stands out against the dark volcanic earth. Las Palmas, the capital, combines historical architecture with modern attractions, featuring bustling markets and urban beaches. There’s time to explore Las Palmas this morning before we set off on a scenic drive that reveals more of Gran Canaria. As we leave Las Palmas, we’ll see a blend of heritage and everyday island life, while passing its famous banana plantations giving us a glimpse into the island’s most popular crop. We spend time in Arucas, where volcanic stone buildings and leafy plazas invite you to slow down. You’ll have free time to explore at your own pace. Browse local shops, sip coffee, or simply take in the relaxed atmosphere. One unmissable sight is the Church of San Juan Bautista, its towering spire carved from dark volcanic stone, casting a dramatic silhouette over the town. It’s a striking landmark in a place that blends history, charm, and everyday island life. Our route blends the character of the modern Canary Islands with the enduring charm of its past, before circling back to Las Palmas, where we board Sylvia Earle. This evening, you’ll join your fellow travellers for an onboard Welcome Dinner, where you will be introduced to your voyage ahead and raise a toast to the adventures to come. Meals: Breakfast, dinner onboard.
Day 3 Arrecife (Port: Arrecife)	While the Canary Islands are famed for their resorts and sun-soaked beaches, they offer much more than typical package holidays. The eight volcanic islands that make up the archipelago are under Spanish jurisdiction but historically linked to Africa and have a complex history that includes the early slave trade. Today, the islands stand as a testament to resilience and cultural diversity, blending influences from Spanish settlers and indigenous Guanches. We explore Lanzarote, the northernmost Canary Island, known as ‘Volcano Island’ for its dramatic volcanic terrain. Lanzarote’s volcanic landscape includes expansive lava fields and uniquely shaped rocks set against a backdrop of black and red soil that vividly contrasts with traditional whitewashed houses. Our ‘Your Choice’ morning experiences offer a chance to discover the island’s volcanic landscape for which it is renowned, highlighting the island’s exceptional natural beauty, followed by a chance to explore Arrecife independently. This afternoon, enjoy a complimentary shuttle service between the port and town, with the Sylvia Earle sailing late afternoon towards Africa. Personalise your exploration with our included ‘Your Choice’ experiences.Option 1 – Morning experience: Timanfaya National Park. Our panoramic tour of Timanfaya National Park offers a truly otherworldly experience. The park’s stark lava fields and striking craters, shaped by 18th- and 19th-century eruptions, create a dramatic and surreal landscape. At the Timanfaya Visitor's Centre, our guides perform geothermal demonstrations, showcasing the intense heat from beneath the Earth’s surface by igniting brushwood and triggering geysers. The park’s vibrant colours and unique formations offer a fascinating glimpse into Lanzarote’s volcanic history. With its almost extraterrestrial scenery, Timanfaya National Park vividly highlights Lanzarote’s exceptional natural beauty and geological significance. *Note: Timanfaya National Park is an active volcanic region, visitors should be aware of its potential risks. Entry is at your discretion.Option 2 – Morning experience: Volcanoes Natural Park and Lanzarote's Volcanic Wine. Explore Lanzarote’s Volcanoes Natural Park on a trail that brings the island’s dramatic volcanic history to life. This 5 km (3-mile) walk follows gravel and sandy paths through a landscape forged by the powerful eruptions that reshaped Lanzarote, creating the vast lava fields that define the island today. The route leads to El Cuervo Volcano, where you can walk into the collapsed crater itself and experience one of the most striking remnants of the Timanfaya eruptions. After our exploration of this extraordinary volcanic landscape, our reward is a visit to La Geria, Lanzarote’s renowned wine region. A short transfer brings us to this unique vineyard district, where you'll enjoy a tour and tasting of local wines, including Malvasía and Listán Negro. The volcanic soil and distinctive semicircular stone walls of La Geria protect the vines from the wind and help retain precious moisture, creating a truly remarkable landscape and ideal growing conditions for these distinctive wines. This popular experience combines dramatic volcanic scenery, cultural discovery, and a well-earned taste of Lanzarote’s unique winemaking heritage.
Day 4 At Sea	Our voyage from Arrecife to the Moroccan coast offers a tranquil interlude, during which our onboard team will introduce you to the fascinating cultures and histories of the destinations ahead through engaging presentations. A day at sea affords you the opportunity to explore the ship’s amenities. Whether you choose to invigorate yourself in the gym, relax in the library, or enjoy panoramic views from the observation lounge, there is something for everyone to enjoy.
Day 5 Disembark Agadir - Overnight Marrakech (Port: Agadir)	This morning marks a change of pace as we bid farewell to the Sylvia Earle and journey inland on a three-hour drive to the vibrant city of Marrakech. Located at the foothills of the Atlas Mountains, Marrakech is an eclectic mix of centuries-old architectural styles. The fabled ochre city was founded over 1,000 years ago during the Almoravid dynasty and still beats an age-old rhythm. Famed for its outstanding artisanship, the city has boomed as one of Africa’s key hubs for contemporary art, architecture and design. We arrive in time to enjoy lunch at a popular local restaurant, before visiting one of its architectural wonders. Built in the late 19th century for Grand Vizier Si Moussa, the Bahia Palace was designed to showcase the finest craftsmanship of the time. Its name, meaning “brilliance,” is reflected in the intricate zellij mosaics, carved cedar ceilings, and graceful arches that line its courtyards. Light filters through stained glass windows, casting patterns across tiled floors, while orange trees and fountains lend a sense of calm to the open spaces, making it an ideal introduction to Marrakech. We check in at our hotel before returning to ‘town’ to view Marrakech at night. No visit to Marrakech is complete without a visit to fabled Djemâa el Fna Square. We immerse ourselves in the captivating energy of this mythical square, one of the world’s great spectacles, where for centuries locals have gathered every evening to watch storytellers, magicians and performers, before enjoying a traditional feast at a local restaurant. Accommodation: Marrakech Hotel. Meals: Breakfast (onboard), Lunch, Dinner.

Day 6 Casablanca (Port: Casablanca)	After breakfast, join your local guides for your chosen 'Your Choice' experience exploring the city's main attractions, followed by a lunch inspired by the vibrant flavours of Marrakech. Afterwards, we transfer by road to Casablanca, where to reboard Sylvia Earle and set sail north to Tangier. Personalise your exploration with our included 'Your Choice' experiences. Option 1 - Morning experience: Introducing Marrakech. This morning, your local guide will lead you on a brief walking tour of Marrakech's famous medina. Amongst its maze of alleyways, you will find artisan shops brimming with pottery and hand-crafted leather goods, quirky trinkets, and traditional Moroccan souvenirs. The medina is a feast for the senses: fragrant spices fill the air, vibrant stalls spill over with colour, and the rhythm of daily life unfolds in every corner. Even a simple stroll becomes a memorable experience. Designed for those wanting a taste of Marrakech's medina, this limited walking tour offers an insight into its eclectic character with time to browse its craft and artisan shops, before we unwind to enjoy a traditional mint tea and morning pastry. Option 2 - Morning experience: Meet me in the Medina. This locally guided walking tour explores Marrakech's medina further with visits to a selection of its sites, including the Almohad wonders of the Koutoubia Mosque, renowned for its geometric zellij (mosaics) and intricate cedarwood. We delve deeper into the medina, walking through its maze of laneways and covered markets bursting with energy. Stop by the Spice Square where herbs, spices, snakeskins and chameleons have been traded for centuries, followed by a discovery of the fabled Djemâa el Fna Square. This bustling space is a UNESCO World Heritage Site, famed for its vibrant atmosphere, traditional storytellers, musicians, hawker food stalls and bustling market activity.
Day 7 Tangier (Port: Tangier)	After a morning sailing the Moroccan coast, we arrive around midday at a city located at the crossroads of Africa and Europe — Tangier. Unique among Moroccan cities, Tangier has a chequered past, offering one of Europe's most tantalising stories. Designated an 'International Zone' in the early 20th century, Tangier harboured no taxes, no banking restrictions, no drug, censorship or morality laws. Attracting a mix of expat residents, it played house to everyone from eccentric British nobility to American authors, Franco's civil army to Nazi spies, while it awaited its inclusion in the post-war nation of Morocco. Stories of elicit affairs, underworld deals, and espionage abound in this city, which remains as colourful as its history suggests. Join your local guide this morning on a walking tour highlighting the many faces of Tangier. We follow the winding lanes of the medina, making our way along its busy stall-lined alleys upwards to the city's fortified Kasbah. Largely unchanged since the 17th century, the Kasbah was the traditional residence of the Sultan and now sits amongst one of the most fashionable residential areas of Tangier. Our next stop is at the American Legation Museum. The first American public property outside the United States, the American Legation is now a museum that traces the history of the relationship between the US and Morocco. As one of the first countries to recognise America's independence, Morocco permitted the new United States government to establish a legation in Tangier in 1821. It is the only historical monument to have remained in American possession since the birth of the American nation. Among several displays here is a letter from George Washington to the Sultan Moulay Abdellah. For those who would prefer a more relaxed alternative, our complimentary shuttle from the ship to the centre of Tangier introduces you to a gentler side of the city. Enjoy time at your leisure to sip mint tea in a local café, browse traditional craft shops, or take in the atmosphere at your own pace, before we sail north to Spain.
Day 8 Málaga, Spain (Ports: Málaga)	Although very much a modern-day city, the apartment blocks and 'expat' clubs of Málaga and the Costa del Sol hide an undercurrent of ancient traditions. Long before beach bars and resorts, this coastline was part of Al-Andalus, ruled by the Moors for nearly eight centuries. Their legacy runs deep, visible in the arches of the Alcazaba, the layout of the old town, and the way the city seemingly harbours something older beneath its surface, steady and enduring. Our 'Your Choice' experiences today range from an introduction to Málaga's historic landmarks and vibrant Atarazanas Market, to a more active exploration of the city, including a walk from the ship to Málaga's crowning glory, the Gibralfaro Castle. Personalise your exploration with our included 'Your Choice' experiences. Option 1 – Morning experience: Málaga and the Atarazanas Market. Beginning at Málaga's waterfront, this introductory walk reveals the story of a city shaped by trade, faith and the sea. Following broad promenades and atmospheric streets through the historic centre, you'll discover how successive cultures left their mark on one of the Mediterranean's great port cities. A visit to the magnificent Cathedral, affectionately known as La Manquita or "the one-armed lady", brings to life Málaga's transformation from an Islamic trading port to a flourishing Christian city. Continuing through elegant squares and bustling thoroughfares, the tour ends at the vibrant Atarazanas Market, housed within a striking iron-and-glass hall that incorporates a surviving Moorish gateway from the city's past. Beneath its colourful stained-glass window, stalls overflow with fresh seafood, fruits, spices and local delicacies. Linger longer to browse and sample the flavours of Andalucía or return to the ship for lunch, with your afternoon free to enjoy the city at your own pace. Option 2 – Morning experience: Gibralfaro Castle trail. Perched high above Málaga, the mighty Gibralfaro Castle has watched over the city and its harbour for more than six centuries. A short drive brings us to this commanding fortress, where we'll explore its courtyards, towers and impressive battlements. Built in the 14th century to strengthen the city's defences and protect the Alcazaba below, Gibralfaro played a pivotal role during the siege of Málaga in 1487, when Christian forces battled to wrest the city from Moorish rule. From its ramparts, enjoy sweeping views across the old town, cathedral, port and Mediterranean beyond. We join our local guide for a downhill walk of approximately 3 km (1.9 miles), leading us into the heart of Málaga. Descending the slopes of Mount Gibralfaro, we trace the story of a city shaped by successive civilisations, from its Islamic heritage to its emergence as a prosperous Mediterranean trading port. Our tour pauses at Plaza del Obispo for views of Málaga Cathedral before continuing to Plaza de la Constitución, the traditional heart of the city, where cafés spill onto the square. Choose to remain in the city or return to the ship with your guide.

Day 9 Gibraltar, United Kingdom (Port: Gibraltar)	In the wake of centuries of maritime vessels, we sail into the Port of Gibraltar early morning. More than just an array of Royal Mail red pillar post boxes, fish and chip shops and corner pubs, Gibraltar is a British Overseas Territory and naval stronghold, strategically located at the base of the Iberian Peninsula. Caught up in the legacy of the War of the Spanish Succession, it became embroiled in European politics when the King of Spain died without an heir. Thirteen years later, Sir George Rooke, an English naval commander, captured it for England's King George I, and Gibraltar has remained a British territory ever since. Three hundred years of swashbuckling pirates, fierce naval battles, yellow fever outbreaks and world wars tell a tale of this tiny slice of Britain, simply known by those who live here as 'The Rock'. Our quintessential British 'Your Choice' experiences showcase the Rock's rich history, iconic mascots and breathtaking views across the Straits of Gibraltar. At the end of your tour, return to the ship for lunch, with views of 'The Rock' from the deck. Join our complimentary afternoon shuttle to explore Gibraltar further. Shop at Marks & Spencer, relax with a pint at a corner pub or send a postcard home from one of Gibraltar's iconic red pillar boxes, with each activity offering a delightful touch of British charm. Personalise your exploration with our included 'Your Choice' experiences. Option 1 – Morning experience: Highlights of 'The Rock'. This quintessential British tour of Gibraltar showcases the Rock's rich history, iconic mascots and breathtaking views across the Straits of Gibraltar. Enjoy a scenic drive along Winston Churchill Avenue, a tribute to the 1967 referendum when Gibraltar's residents overwhelmingly voted to remain British rather than join Spain. This historic event remains a cornerstone of Gibraltar's identity. Stop for a photo opportunity at the island's most popular lookout, where on a clear day you can glimpse the coast of the African continent across the famous Strait where Atlantic and Mediterranean waters meet. Continue to the top of The Rock where you will meet Gibraltar's famous macaques, also known as Barbary apes, the tail-less monkeys that proudly serve as The Rock's mascots. Option 2 – Morning experience: The Great Siege of Gibraltar. This tour delves into one of The Rock's darkest periods appropriately known as the Great Siege of Gibraltar. During a dramatic 18th-century battle, Spanish and French forces sought to retake Gibraltar from the British. This intense battle aimed to reclaim the strategic fortress, vital for controlling the crucial naval passage into the Mediterranean. Our locally guided tour offers an insight into the harsh realities faced by the garrison and civilians, such as severe food shortages, when people survived on seaweed and wild onions. We uncover the stringent discipline enforced, including whipping, with one drummer receiving 30,000 lashes in 14 years. Diseases like smallpox and influenza were rife, and scurvy spread widely due to the lack of available fresh produce. Despite only receiving one relief convoy per year, the 5,000 troops heroically defended Gibraltar against 60,000 troops and 49 ships. During the tour, you'll explore the ingenious Great Siege Tunnels carved from solid limestone, which played a vital role in the fortress's defence. Today, the tunnels stand as a museum dedicated to preserving this story. The tour showcases the resilience that cemented Gibraltar's reputation as 'Strong as the Rock of Gibraltar.'
Day 10 Seville, Spain (Port: Seville)	This morning, we cruise the Guadalquivir River, expertly guided by our Spanish pilot, arriving in Seville, Spain's most iconic southern city. We enjoy lunch on board with the skyline of Seville as our backdrop, before joining a 'Your Choice' experience. The Guadalquivir has been a central part of Seville's history and a launchpad for significant voyages. From its banks, explorers like Ferdinand Magellan embarked on their landmark journeys, including Magellan's famous 1519 expedition to circumnavigate the globe. The river was also crucial for trade, linking Seville with distant lands and shaping global commerce. In the 8th century, the Moors, a diverse brotherhood of Arabs, Berbers, and North Africans, arrived on the Iberian Peninsula and, like a child leaving home, remained away from their homelands for nearly 700 years. They brought with them a spirit of tolerance, coexisting peacefully with Christian and Jewish communities while ruling over the land through small kingdoms characterised by castle-topped villages and fortified cities. Their remarkable contributions in mathematics, astronomy, and Moorish architecture left a lasting mark on Europe. Choose between two locally guided tours of Seville for an unforgettable experience, before we sail the river mid-evening, following its path to the coast, where it meets the sea at Cadiz. *Note: Seville is a tidal piloted port. Our arrival time will not be confirmed until the date of arrival. Excursions may need to be adjusted. Personalise your exploration with our included 'Your Choice' experiences. Option 1 - Afternoon experience: Introducing Seville. Our locally guided tour begins with a visit to Seville's iconic Plaza de España, the crowning achievement of the 1929 Ibero-American Exposition, where colourful ceramics, elegant bridges and sweeping arcades pay tribute to Spain's diverse regions. We then continue to the historic heart of the city for a guided stroll through the atmospheric Santa Cruz quarter, once Seville's Jewish neighbourhood, where narrow lanes and hidden squares evoke the city's rich past. Here, we'll admire the exterior of Seville's immense Cathedral and its iconic Giralda tower while learning how trade with the Americas transformed Seville into one of Europe's wealthiest and most influential cities. Our tour concludes at the vibrant Mercado del Barranco, a stylish riverside market renowned for its tapas, local wines, gourmet food stalls and lively atmosphere, offering the perfect opportunity to relax and savour the flavours of Andalucía. Option 2 - Afternoon experience: Walking the Heart of Seville. Our local guide tells a tale of Seville on this extensive walking tour, with stories of history's famed conquerors, stories of the New World, and a clash of cultures as compelling as the buildings we visit. This walking tour of Seville's UNESCO World Heritage sites begins with the Alcázar. Built in the 14th century in Mudéjar style, the Alcázar is the oldest royal residence in Europe still in use. Islam and Christianity vied for power here, with Christianity asserting dominance by constructing Europe's third-largest cathedral directly over a 12th-century mosque. The largest Gothic structure in the world, the cathedral houses many notable figures. In 1899, 400 years after his death, the renowned explorer Christopher Columbus was finally laid to rest in Seville Cathedral, where our guide introduces us to this magnificent structure with time to pull up a pew. The tour concludes in the heart of the city, where you may choose to return to the ship with the group or remain ashore to enjoy Seville at leisure before making your own way back.

Day 11 Cádiz (Port: Cádiz)	The proud city of Cádiz sits at the mouth of the Guadalquivir River. As the gateway to the Mediterranean, Cádiz is touted as the oldest continuously inhabited settlement in Europe, with its dominant families claiming ancestry dating back to Roman times, when the city was called Ceret, and the wine, Vinum Ceretensis. Moorish rule over the port, which was renamed Jazīrat Qādis, lasted for 500 years, with the capture of Cádiz by Alfonso X of Castile. Its renewed prosperity dated from the discovery of America in 1492, when it became the headquarters of the Spanish treasure fleets, and the port to nearby Jerez, which produced liquid gold. Choose your preferred 'Your Choice' morning experience to discover the unique character of Andalusian life. This afternoon, enjoy free time to explore Cádiz at your own pace, with Sylvia Earle moored directly in town. Browse its boutique shops, sample tapas in the many lively bars, or visit local craft stores showcasing traditional Andalusian wares. Personalise your exploration with our included 'Your Choice' experiences. Option 1 – Morning experience: The Andalusian Enclave of Vejer de la Frontera. No visit to Andalusia is complete without time spent in one of its whitewashed hilltop towns. We spend our morning in Vejer de la Frontera, a historic stronghold that once marked the borderlands between Muslim territories and encroaching Catholic lands. Renowned as one of the most authentic of the Pueblos Blancos, Vejer's whitewashed buildings are designed to reflect the sun and ward off the intense summer heat. As we stroll through its narrow, winding streets, we will be inspired by the ancient Moorish Castle, the majestic Church of the Divine Saviour, and the vibrant Plaza España, all while uncovering tales of Moorish conquerors, Castilian kings, and feudal uprisings. With views to the coast, Vejer offers a glimpse into the rich history that defines the hilltop towns of Andalusia and their connection to the surrounding lowlands, linking inland Spain to the coastline. Option 2 – Midday experience: Historic Cadiz on the Tapas Trail. This food-focused walking tour begins at the aptly named Mercado Central de Abastos, Cádiz's historic market of provisions, where generations of locals have gathered to purchase the fresh seafood, produce and regional specialities that define Andalusian cuisine. Here, amid colourful displays of Atlantic fish, cured meats, cheeses and seasonal produce, you will discover why food remains at the heart of Cádiz's identity and gain an authentic introduction to the ingredients and traditions that have sustained the city for centuries. From here, join us on a tapas tour through the historic heart of Cádiz, where every bite tells a story shaped by sea, trade and tradition. We weave through the whitewashed lanes of the Casco Antiguo, past sun-dappled plazas, baroque churches and grand 18th-century merchant houses, reminders of Cádiz's Golden Age when riches from the Americas poured into its bustling port. Today, the city trades in flavours rather than silver, especially those of the sea. As we hop from tavern to tavern with our local guide, we enjoy delicacies that have sustained the people of Cádiz for millennia.
Day 12 Portimão, Portugal (Port: Portimão)	Set on the estuary of the Rio Arade, Portimão was a flourishing fishing village until only 30 years ago. Greeks, Phoenicians and Carthaginians all plied their trade but in the 11th century the Moors arrived, and Burj Munt as it became known, never looked back. A gateway to the Algarve's famed caved beaches and clifftop walks, Portimão fishes for a different catch these days, with its marina home to a flotilla of gently bobbing yachts, and riverfront promenade host to casual cafes and bars. This morning, we offer a choice of two walking distances along the region's celebrated Caminho dos Promontórios, a spectacular coastal trail renowned for its dramatic cliffs, hidden coves and sweeping Atlantic vistas. At the conclusion of your walk, you may choose to return directly to the ship or spend time in the charming fishing village of Ferragudo, where whitewashed houses tumble towards the waterfront and colourful boats bob gently in the harbour. Browse the village's boutiques, enjoy a coffee or leisurely lunch in one of its cafés, soak up the relaxed Algarve atmosphere, or simply watch daily life unfold along the quayside before using our complimentary shuttle service to return to the ship at your leisure. Should you prefer not to participate in either walk, you are welcome to spend your time independently exploring Ferragudo and its picturesque waterfront at your own pace. Personalise your exploration with our included 'Your Choice' experiences. Option 1 – Morning experience: Ferragudo and the Path of the Headlands. On this guided walk, we explore around 1.5 kilometres (one mile) of the trail, delving into the region's geology, gaining an insight into what makes this stretch of shoreline so uniquely captivating. Our walk ends in Ferragudo, a traditional fishing village that captures the essence of southern Portugal. Here, you can wander the waterfront, where colourful boats bob in the harbour and fishermen mend their nets in the sun and explore the cobbled streets, we'll pass bougainvillea-covered houses and get a feel for the village's easy-going rhythm. There will be time to explore at your leisure, browse the village's shops and cafés, or simply relax by the harbour and soak up the atmosphere before returning to the ship using our complimentary shuttle service. Option 2 - Morning experience: Walking the Caminho dos Promontórios, Ferragudo to Praia dos Caneiros. For those seeking to stretch their legs further along the Algarve's spectacular coastline, this moderately challenging 4km (2.5 mile) trail begins in the charming fishing village of Ferragudo and follows one of the most scenic sections of the famed Caminho dos Promontórios. Setting out along clifftop paths, we'll enjoy sweeping views of the Atlantic, hidden coves, golden beaches and the sculpted rock formations that have been shaped by wind, waves and time. Along the way, we'll discover traces of the region's maritime past, including coastal watchpoints once used to guard against pirate raids, while taking in some of the Algarve's most breathtaking seascapes. Our walk concludes at the beautiful Praia dos Caneiros, where golden sands meet crystal-clear waters beneath dramatic cliffs. Here, there will be time to relax, enjoy a refreshing swim, or simply soak up the scenery before returning to the ship. *Note: The official 'bathing' season opens in on 01 June. Facilities at Praia dos Caneiros may be limited in May.
Day 13 Disembark Lisbon (Port: Lisbon)	Lisbon, set along the broad waters of the River Tagus, became the launch point for Portugal's Golden Age of Exploration. From this historic harbour, famed navigators like Vasco da Gama and Magellan sailed to chart new worlds, opening vital trade routes and bringing immense wealth to their homeland. That prosperity left its mark on the city through grand baroque buildings, ornate churches, and tiled pavements. But Lisbon's story is also one of resilience. In 1755 a powerful earthquake, followed by tsunamis and fire, destroyed most of the city. What rose from the ruins is the Lisbon we see today, with graceful boulevards, elegant facades, and a vibrant waterfront that still echoes its maritime past. We bid the Sylvia Earle farewell. Our locally guided tour visits Belém, where the city's seafaring legacy is on full display. We'll view the Monastery of Jerónimos, the striking Monument to the Discoveries, which honours Prince Henry the Navigator and his explorers, and the iconic Torre de Belém, a fortress that once guarded the entrance to the city for returning ships. Enjoy some free time in Lisbon's charming city centre, perfect for wandering cobbled streets, travelling on one of its quirky trams, sampling local flavours, or simply soaking in the riverside views, before we transfer to our hotel for a final night in Portugal. Accommodation: Altis Hotel Lisbon (or similar). Meals: Breakfast onboard.
