Lautoka, Fiji

Tag 1

Bula! Welcome to Fiji and the nation's second largest city, Lautoka, nestled in the heart of sugar-cane country. This sweet start to your voyage opens up a world of blissful beaches, turquoise seascapes, dense jungle and the always-smiling Fijian locals.

Your journey into wonder begins with a warm greeting by the Captain and crew as you step on board Scenic Eclipse II. Sip on a glass of Champagne as you explore your luxurious suite, then join your fellow guests at the Sky Bar to toast the start of an unforgettable voyage.

Please book your flight to arrive into Nadi prior to 02:00 PM.

Savusavu

Tag 2 Immerse yourself in the natural beauty of Savusavu, set on the southern coast of the island of Vanua Levu. The nation's second largest island is largely off the radar of mass tourism and is renowned for its lush jungle, pristine waters and strong traditional culture. The snorkelling and diving here are some of the best in Fiji, with the exceptional Namena Marine Reserve just offshore from Savusavu.

Relax on one of the secluded beaches fringed by swaying palm trees, go in search of dolphins in Natewa Bay, explore the mangroves of the Salt Lake by kayak or stand-up paddleboard, and pick up unique souvenirs crafted by local artisans.

Reid Reef, Lau Group

Tag 3 Scenic Eclipse II will likely be the only cruise ship in this remote paradise. The Lau Group is made up of 57 islands scattered across the west of Fiji, famous for its untouched beauty and vibrant marine life.

Snorkel among colourful coral gardens teeming with tropical fish, paddle on the calm waters in a kayak or stand-up paddleboard. Alternatively, simply relax on a secluded sandy beach. Whatever you decide to do, you'll feel the tranquillity of this hidden sanctuary, surrounded by breathtaking vistas and serene seascapes.

Neiafu, Vava'u, Tonga > Cross International Date Line > Alofi, Niue

Tonga is made up of more than 170 islands divided into three groups – the Vava'u archipelago is the most northerly, consisting of around 40 coral islands. It's a captivating combination of lush vegetation, sandy beaches, abundant marine life and underwater caves, making it one of Tonga's most popular tourist destinations.

The flat-topped Mount Talau towers over the main island, offering spectacular panoramic views. Experience local traditions, like weaving mats from the leaves of the pandanus tree, producing noni juice and the extraction of vanilla essence.

Cross International Dateline

Tag 4

Today you will become a time traveller - Scenic Eclipse II will cross the International Date Line, an imaginary line of demarcation that runs from the North to the South Pole, located roughly along the 180th meridian in the Pacific Ocean. As we are crossing from west to east, you will repeat the day once more.

Enjoy a celebration of the crossing with the Captain and crew as a nod to ancient maritime traditions and a light-hearted appreciation of the marvels of time and travel.

Step ashore today in one of the smallest countries in the world. The tiny island nation of Niue is home to less than 2,000 people and is a slice of the South Pacific as it used to be. The island was first settled by Polynesian sailors from Samoa in the 10th century. Captain Cook sighted the island in 1774 but was refused permission to land, though many missionaries made it ashore in the following centuries – look out for the many churches.

Niue is ideal for hiking, with dramatic coastal paths leading along steep cliffs and into hidden caves. Swim or snorkel at secluded beaches where you won't see another traveller all day.

At Sea

Tag 5

After a couple of days of exploration, today enjoy some relaxation at sea. Join your new friends over a meal at the Azure Bar & Café with beautiful indoor and outdoor seating. Graze the day away and enjoy Scenic Eclipse II's all-inclusive premium beverages to ensure you'll find something that suits your taste perfectly.

Tonight's entertainment at the state-of-the-art theatre will give you another opportunity to appreciate the magical moments on board Scenic Eclipse II before you retreat to your ultra-luxury suite. Alternatively, choose to dine in the comfort of your suite and have your evening nightcap brought by the butler.

Palmerston Island, Cook Islands

Tag 6 Just six tiny islands are dotted across the 11 kilometre-wide lagoon of Palmerston, one of the most isolated communities in the South Pacific. Surrounded by a continuous ring of coral reefs, marine life is abundant. Don't miss a dip in Duke's Pool, named in honour of the late Prince Philip, who swam there in the 1970s during a rare royal visit.

With a population of only around 50, most of the friendly residents are the descendants of one British man, William Marsters, and his three wives. Marsters was a ship's carpenter who arrived here in 1863 and quickly established his own personal paradise.

Aitutaki Atoll, Cook Islands

Tag 7 Aitutaki is another contender for the most beautiful lagoon on the planet. Covering over 50 square kilometres, it's sprinkled with over a dozen islands and islets, most of which are uninhabited. None stands more than 124 metres high, so there's nothing to interrupt the postcard-perfect views.

Go snorkelling, relax on the beach or just settle into the simple life on this peaceful island port. Aitutaki specialises in the sale of black pearls, colourful sarongs, patchwork quilting and other handicrafts, which can be found at the bustling market near the wharf.

At sea

Tag 8 Freshly squeezed juice, steaming barista-made coffee or tea delivered to your door by the butler will help you start your day. Nestle into one of the cabanas on Deck 10 to welcome the dawn before visiting the gym or the studio for a Pilates class, some guided stretching or aerial yoga.

Enjoy an al fresco lunch today at the Yacht Club for delightfully curated courses and a chance to meet your fellow voyagers. Spend the afternoon at leisure in your luxurious suite or in the temperature-controlled Vitality Pool before choosing one of up to 10 dining experiences for the evening.

Bora Bora

Tag 9 The name Bora Bora is synonymous with paradise and this majestic island is world famous for its mesmerising tropical beauty. It's known as the Pearl of the Pacific and sits on the edge of one of the world's most beautiful lagoons.

The stunning clear water sparkles with 50 shades of blue and colourful fish, manta rays and timid reef sharks swim through the shallows. It's fringed with luxurious overwater resorts and the occasional yacht bobbing at anchor. With swathes of lush green vegetation, the island is dominated by the magnificent outline of Mount Otemanu.

Huahine, Society Islands

Tag 10

Covered in a vast tropical jungle, Huahine is known as The Garden of Eden. With its untouched beauty and warm hospitality, Huahine offers a glimpse of paradise. The lush landscapes are dotted with coconut plantations, vanilla orchids, banana groves, breadfruit trees and watermelon fields, and sacred temples are hidden amongst the greenery.

Encounter the vibrant marine life beneath the surface or simply unwind on palm-fringed beaches. Relax, explore, and create unforgettable memories in this idyllic island haven steeped in history and natural wonders.

Papeete, Society Islands

Tag 11

Welcome to the island of Tahiti. As the capital of French Polynesia, Papeete blends a city buzz with a relaxed lifestyle and a melting pot of cultures. Wander through vibrant markets filled with tropical fruits and local crafts, or stroll along the waterfront promenade lined with palm trees.

Discover the rich history of the island at the Museum of Tahiti and Her Islands, or indulge in delicious Polynesian cuisine at waterfront restaurants. Scenic Eclipse II will be docked here overnight, so you can soak in a magical Tahitian sunset at a waterfront bar or from the Sky Bar at the top of the ship.

Papeete, Society Islands

Tag 12

On the second day in Papeete, enjoy a relaxed atmosphere with urban buzz and a laid-back Polynesian lifestyle. Explore sites such as the colonial cathedral and Maison de la reine Marau and enjoy the abundant plant-life in Vaipahi public gardens. The municipal market offers local specialties such as fresh fruit, spices, and fish.

Opunohu Bay, Moorea

Tag 13

Nestled on the stunning island of Moorea, Opunohu Bay boasts crystal-clear waters surrounded by lush nature and a jagged mountainside - making it famous for its untouched beauty.

In the north, Mount Rotui overlooks Opunohu Bay and Cook's Bay. Inland, in the heart of Moorea, hiking trails wind through the rainforests on the slopes of Mount Tohivea, the island's highest peak. Spend the day enjoying this tranquil and isolated location. Take a dip, go snorkelling or relax on the white sand beach.

Rangiroa, Tuamotus

Tag 14

Rangiroa is one of the world's largest natural lagoons, at around 80 kilometres in length and up to 32 kilometres wide. The famous atoll thrives with vibrant marine life, such as manta rays, dolphins, sharks, and Napoleon fish, offering unparalleled snorkelling opportunities.

Named after its "endless sky" in the local language, Rangiroa has two small islets, one with pink sand and another with a natural bathing pool. It's also known for its flourishing pearl farming industry, where the Tahitian black pearl is cultivated.

At sea

Tag 15

Enjoy the day at leisure on board your ultra-luxury Discovery Yacht. Start with a slow morning in your luxuriously appointed suite with a delicious breakfast delivered to your suite. Elegant and spacious, it features floor-to-ceiling glass windows that make the most of the ever-changing views.

From the village, a winding road leads to the valleys Taaoa and Puamau, home to an impressive archaeological site.

The charming village of Atuona is also well known as the resting place of French musician Jacques Brel and painter Paul Gauguin. A cultural centre celebrates Gauguin's legacy and connection to this enchanting island.
